

Dear Sir or Madam,

As part of our commitment to promoting amateur sport and recognizing athletic achievement, we are pleased to introduce **My Hôtes**, a hosted stay experience designed for international guests, combining accommodation, local discovery, and personalized support.

We would like to propose this stay as a **premium reward**, suitable for inclusion in your **reward packages or recognition programs**, and intended for:

- amateur teams winning competitions,
- individual trophy or award recipients,
- or deserving athletes, accompanied by their relatives or close companions.

## **Presentation of the My Hôtes Stay**

The My Hôtes experience includes:

- **5 nights of accommodation** on a dedicated and private site,
- **5 full days of guided excursions and local discovery activities**,
- Personalized welcome and on-site support throughout the stay.

The stay is offered as a **fixed-price package**, paid directly by the federation.

The beneficiaries are then granted **full flexibility in choosing their travel dates**, subject to site availability, allowing them to plan their stay at their convenience.

# Benefits for Sports Federations

- A **non-monetary reward** that is memorable and meaningful
- A shared experience that strengthens team spirit and family bonds
- A turnkey solution, easy to integrate into existing reward schemes
- A positive image associated with well-being, recognition, and cultural exchange

We would be delighted to discuss this proposal with you and explore possible adaptations to match your specific needs, formats, and target audiences.

We remain at your disposal for any additional information and would be pleased to arrange a meeting or call at your convenience.

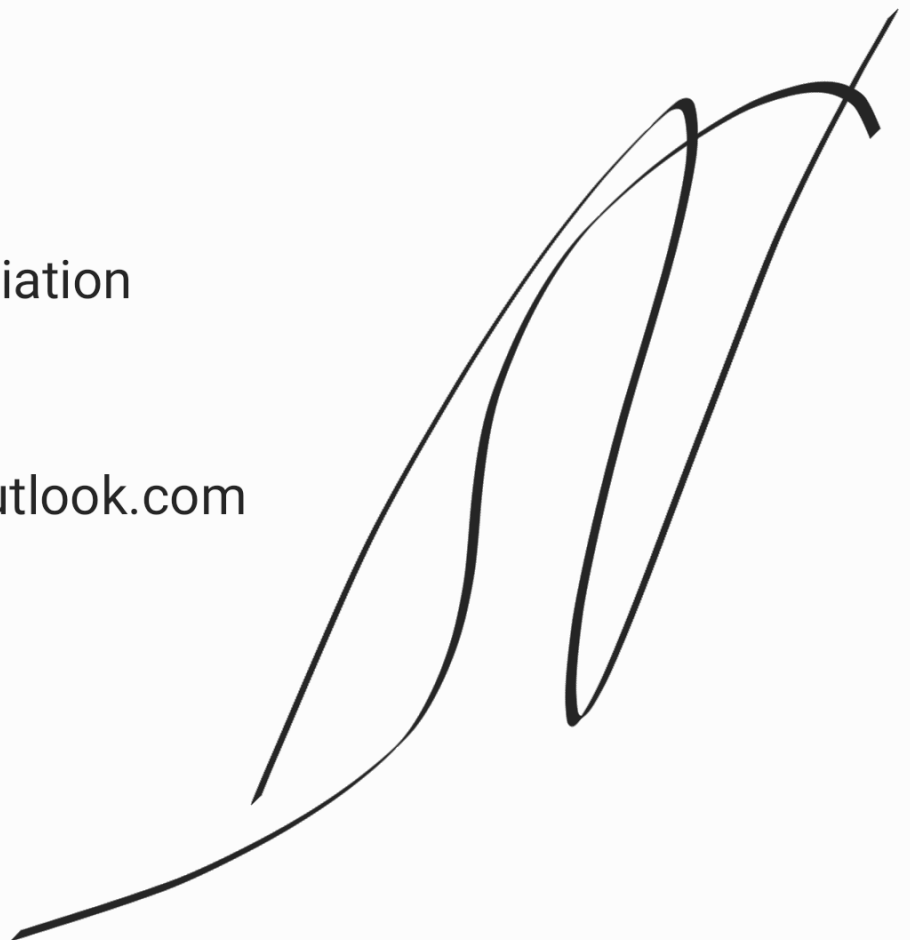

Yours faithfully,

**My Hôtes**
